# Town Events Listing

---

**This listing lists events and activities open to the public taking place in Castle Cary and Ansford in the coming months. It does NOT include private events or activities. It is only as good as the information we are given so please let us know of errors and omissions - email [tourism@castle-cary.co.uk](mailto:tourism@castle-cary.co.uk) or ring 01963 351763**

**Last updated 4 June**

Some of the activities are free of charge and you can just turn up and expect a warm welcome. For others you will need to buy tickets, either in advance or on the door. For most entries there is a link or email for additional information. Activities specifically for young children are highlighted in pale blue.

Look in the Town Newsletter for information about activities, groups, classes and so on where you need to make contact with the organisers before attending for the first time.
