Test N: Publication

I checked to see that the Council complied with the publication requirements of the Annual Governance and Accountability Return. I found that all required documents were on the Council website as at 31/01/24, but that there was no evidence of the publication date as screenshots were not obtained, and the website did not have an audit trail function. As I was unable to prove that publication occurred within deadline, I have assessed the test as 'not covered.'

Test O: Trust funds

I checked to see that the Council had correctly accounted for and met responsibilities for Trust Funds in its care. I found that the annual return and accounts are 128 days overdue for filing (as at 07/06/24). The Town Clerk noted that she has been unable to file the return following changes to the Charity Commission filing process, and that in order to set up the relevant account one of the former Town Clerks, who is the named person, must confirm to the Charity Commission that the named person has changed. Consequently I have responded 'no' to this test.
