

Properties and Infrastructure Report for Full Council 17th March 2025

Date of Full Council meeting: 17/03/2025

Actions completed since last Committee meeting

Update on existing projects

- Persimmon have agreed to replace the part of the hedgerow that should not have been removed along the Station Road site.
- The damaged fence on the DP Play area has been repaired by MS
- On going discussions re the financing of the new Pavilion have been taking place. This will be sourced from private investors, grant funding, allocated S106 money and local clubs fundraising and not from precept funding.
- Discussions with APC re Fairfield have halted due to Tors not being agreed.
- 20 mph signage has been erected at entrances/exits to town. The roundels are due to be done soon.
- New signs reminding residents to pick up their dog poo and keep dogs on leads are being erected on the DP field week commencing 17th March.
- New signs have been erected at the cemetery reminding individuals to take home and recycle their own refuse.
- We have not yet found a suitable plaque for MH's bench.
- More lathe and plaster have been removed from the billiard Room wall to expose any damp issues.

New / future projects
