

This is a Freedom of Information question

As an authority, does Castle Cary Town Council have debts on which fees, interest and other charges are paid? I know of the PWLB loan: are the repayment terms identical to those borne by Ansford PC ? Are there other loans and are there others taken out by both CCTC and Ansford PC in any cooperative or joint frm?

Thank you for your request. Castle Cary Town Council (CCTC) does not have any debts / loans apart from the PWLB loan. The repayment terms are the same as Ansford Parish Council (APC), although the amounts borrowed were different (CCTC - £100,000 and APC - £75,000).
