

Freedom of Information Request 005/2025 Churches Together letter

Early this year the Ansford and Castle Cary Churches Together wrote to Somerset Council proposing that the councils be merged.

In relation to this, I would be grateful if you could provide the following information:

- **Whether any Castle Cary Town Council councillors or staff instigated, drafted, advised on the wording of, or were otherwise involved in the preparation of this letter.**
No

- **If so, please outline the nature of their involvement and provide copies of any relevant correspondence, including emails, letters, or notes. If applicable, please also include the dates of any meetings or conversations relating to the letter.** N/A

- **Whether any consideration was given to discussing the perceived issues with Ansford Parish Council prior to the letter being sent.** N/A.

It should be noted that the CCTC Town Clerk was copied into the letter as was the APC Parish Clerk when it was sent to Somerset Council and it was noted on the agenda for the Full Council meeting in February <https://castle-cary.co.uk/wp-content/uploads/2025/03/Approved-CCTC-Minutes-Full-Council-17th-February-2025.pdf>
