

I am writing to request information under the Freedom of Information Act 2000 regarding rumours of an aspiration to create the position of a Mayor for Castle Cary (and potentially Ansford).

Please could you confirm whether any Castle Cary Town Council councillors or staff have discussed the creation of this position with anyone. If so, I would be grateful if you could provide:

- The names and roles of all individuals involved.**
- The dates and nature of these discussions, meetings or conversations.**
- Copies of any relevant correspondence, including emails, letters, or notes.**

Castle Cary Town Councillors or staff have not discussed the creation of a Mayor for Castle Cary.
