

MCC REPORT FOR FULL COUNCIL - 20 JULY 2026

Positive vibe at the Market and surprisingly busy during the heatwave. However, some food stall didn't trade for the full time, due to Food Hygiene requirements.

New stalls have joined the market, offering something different and not competing with the High Street. We continue to try to avoid this and do turn duplicate stalls away.

Market Steering Committee - Ange (Chair of committee), Wendy (Manager), Margaret, (Chair of MCC), Maisie Brown (Traders Rep), Catrin (Marketing Administrator)

We will be holding another Skate coaching event in August
